

VELOCE WOOD SYSTEM

The VELOCE System combines elegance and functionality, easy to adapt to all exhibitors' needs.

All items suited in the VELOCE System offers you modularity and flexibility for the booths.

VELOCE System offers: quick set-up, easy fixing panels, lightweight, all-in-one structure with aluminum channels to hide wires fix lights and company signs.

Red area // Aluminum framework
These areas are not available to nail or screw.

Gray area // Plywood
In these areas, you can place nails or screws for mounting purposes. (Support up to 30 kg - 66.1 lbs).

White area // Honeycomb poplar plywood
In these areas, you can place nails or screws for mounting purposes. (Support up to 15 kg - 33.0 lbs).

Every panel is connected with a solid hard wood column. In the column (yellow area) you can place nails or screws for mounting purposes. (Support up to 30 kg - 66.1 lbs).

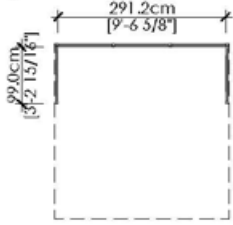

DAMAGED PANELS

Refurbishing fees (\$300.00) are assessed for:

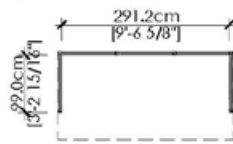

- Holes larger than 6.3 mm [0.25"] in diameter i.e. plasma mounts, furnishings or graphics.
- Any graphics, wall covering, wallpaper or adhesives not removed.
- Any hardware not removed (of any size).
- You will not be charged a refurbishing fee if you paint the panels.
